

AMENDMENTS TO THE SPECIFICATION

Applicant notes that the substitute specification submitted to the Patent Office on August 17, 2006, at the time the original application was filed, is not the specification that was published by the Office on October 2, 2008, as U.S. Patent Publication No. 2008/0243167 A1. Consequently, Applicant hereby submits a new Substitute Specification and a Marked-up Version of the Specification which includes amendments to the specification.

After paragraph [0099] of the published application, in the Claims section, please insert a heading “CLAIMS” and, preceding Claim 1, insert, in a separate paragraph, “Claimed is:”.
